

IPAT Fee for Service Schedule

NDAD Affiliate

IPAT Equipment Loan Library *(Rates are being revised at this time)*

Fees range from \$10.00 - \$40.00. Devices will be shipped UPS with a pre-paid return label. Borrower is responsible for shipping charges. A loan period is up to 6 weeks. Late fees will be assessed weekly at the rate of the loan for each week the item is late.

AT Assessments/Consultations

- Fees are \$75/hour plus NDAD reimbursement rates for mileage, lodging, and per diem. A minimum unit is a quarter of an hour.
- Reimbursement for travel time is \$25/hour.

Evaluation sessions usually last up to two hours; multiple sessions are scheduled as needed to complete the evaluation. Although evaluations may last anywhere from 1 to 20 hours or more, most fall within the 3 to 4 hour range.

Equipment Purchases, Set-up and Use

- Fees are \$75/hour plus NDAD reimbursement rates for mileage, lodging, per diem. A minimum unit is a quarter of an hour.
- Reimbursement for travel time is \$25/hour.

Training

- Fees are \$500/half day plus NDAD reimbursement rates for mileage, lodging, per diem
- OR
- \$125/hour plus NDAD reimbursement rates for mileage, lodging, per diem.
 - Reimbursement for travel time is \$25/hour.

Fees include training materials.

Product Development

Fees to create specialized information products will be broken into categories of Research, Content, and Design.

- **Research:** Includes gathering the background for development of content.
- **Content:** Generate to copy correct and current pertinent information to the subject.
- **Design:** Put content into visual format.

Fees are \$40/hour. If design needs to include a graphic designer, costs may vary.

Other Services and Products

All other services and products will remain free, i.e. technical assistance via the phone, other products such as brochures, pamphlets, use of video library, participation on task forces, used equipment 'swap & shop', and other services.
